ROI / SAVINGS & BENIFITS

In addition to helping organizations reduce operating cost, ALICE Receptionist provides these valuable benefits.

12 MONTH RETURN ON INVESTMENT

Return On Investment (y-axis: 0%, 100%, 200%, 300%)

Months Of Ownership (x-axis: 1 2 3 4 5 6 7 8 9 10 11 12)

ROI calculations based on: ALICE Cost: ALICE Enterprise License + $8,000 hardware cost in year one Average receptionist FTE cost: $42,000 annually.

SECURITY

> Employees can engage face to face with visitors virtually from behind secured doors or remote locations

> Visitor Screening against US Government list or Private list

> Employees alerted upon visitor arrival or check-in

SAVINGS

> One ALICE system typically save an organization over $27,000 in year one and over $171,000 by year five

> ALICE systems deployed across multiple locations can easily result in multimillion dollar savings in just a few years

INCREASE EMPLOYEE UTILIZATION

> A single employee can manage up to 6 locations

> Employees can manage remote locations from the convenience of their desk or remote location.

VISITOR REGISTRATION

> Self-service visitor check-in & check-out

> Visitor Badges

> Employee notifications upon guest check-in

ALICE Receptionist includes many additional benefits and features. Contact sales@alicereceptionist.com for more information.
